## **2023 ANNUAL SECURITY REPORT**

### **Introduction**

This report is provided in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, as amended. It provides students and employees of the Kansas City campus of Northwest Missouri State University ("University") with information on: the University's security arrangements, policies and procedures; programs that provide education on such things as drug and alcohol abuse, awareness of various kinds of sex offenses, and the prevention of crime generally; and procedures the University will take to notify the campus community in the event of an emergency. Its purpose is to provide students and employees with information that will help them make informed decisions relating to their own safety and the safety of others.

### **Policy for Preparing the Annual Report**

This report is prepared by the Clarence Green in cooperation with local law enforcement authorities and includes information provided by them as well as by the University's campus security authorities and various other elements of the University. Each year an e-mail notification is made to all enrolled students and employees that provides the website link to access this report. Prospective students and employees are also notified of the report's availability. Hard copies of the report may also be obtained at no cost by contacting Clarence Green, Support Service Building (UPD), 800 University Drive, Maryville, Missouri (660.562.1254).

The University is committed to taking the actions necessary to provide a safe and secure working/learning environment for all students and staff. As a member of the campus community, you can feel safe and comfortable knowing that security procedures are in place that represent best practices in the field and are constantly tested and re-evaluated for their effectiveness.

### **General Safety and Security Policies**

#### **Campus Security Personnel & Relationship with Local Law Enforcement**

While the University does not have any written agreements with local law enforcement agencies, it does maintain a working relationship with local police in Gladstone.

All crimes occurring on the Northwest-Kansas City campus, on non-campus property owned by the university or on nearby public property should be reported immediately to the Gladstone Police Department. The number to contact is 816.436.3550 or 911.

## **Campus Security Authorities**

The University has designated certain officials to serve as campus security authorities. Reports of criminal activity can be made to these officials. They in turn will ensure that the crimes are reported for collection as part of the University's annual report of crime statistics. The campus security authorities to whom the University would prefer that crimes be reported are listed below.

- Director of KC Center at 660.562.1277
- AVP of Student Affairs: Engagement & Development at 660.562.1226
- AVP of Title IX and Equity at 660.562.1873

## **Reporting a Crime or Emergency**

The University encourages accurate and prompt reporting of all criminal actions, emergencies, or other incidents occurring on campus, on other property owned by the University, or on nearby public property to the appropriate administrator and appropriate police agencies. Such a report is encouraged even when the victim of a crime elects not to make a report or is unable to do so.

- Situations that pose an imminent danger or while a crime is in progress should be reported to local law enforcement by calling 911 from any campus phone or cell phone. Keep in mind that the individual making the call from a cell phone will need to provide the address where the emergency has occurred.
- Students, employees, and visitors should report criminal actions, accidents, injuries, or other emergency incidents to one of the campus security authorities identified above. Once reported, the individual making the report will be encouraged to also report it to appropriate police agencies. If requested, a University employee will assist in making the report to the police.
- All crimes occurring on campus, on non-campus property owned by the University or on nearby public property should be reported immediately to the Gladstone Police Department. The number to contact is 816.436.3550.
- An anonymous report can also be submitted at the following site:  
<https://www.nwmissouri.edu/studentaffairs/report-incident.htm>

## **Confidential Reporting**

The University will protect the confidentiality of victims. Only those with a need to know the identity for purposes of investigating the crime, assisting the victim or disciplining the perpetrator will know the victim's identity.

Pursuant to the University's Title IX Sexual Harassment Policy, when an employee who is not a confidential resource becomes aware of alleged misconduct under that policy (including, but not limited to, dating violence, domestic violence, sexual assault, and stalking), the employee is responsible for reporting that information, including the status of the parties if known, to the Title IX Coordinator. A victim of other types of crimes (e.g., aggravated assault, burglary, etc.) who does not want to pursue action within the University disciplinary system or the criminal justice system is nevertheless encouraged to make a confidential report to a campus security authority. Upon the victim's request, a report of the details of the incident can be filed with the University without revealing the victim's identity.

Such a confidential report complies with the victim's wishes but still helps the University take appropriate steps to ensure the future safety of the victim and others. With such information, the University can keep an accurate record of the number of incidents involving members of the campus community, determine where a pattern of crime may be developing and alert the community as to any potential danger. These confidential reports are counted and disclosed in the annual crime statistics for the University.

The University does not have procedures that encourage its pastoral and professional counselors, if and when they deem it appropriate, to inform the person they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual report of crime statistics.

### **Security of and Access to Campus Facilities**

All academic buildings are secured during the evenings and weekends. Access to the buildings is only allowed for employees and students who are accompanied by employees when the facility is secured.

Students and employees are asked to be alert and to not circumvent practices and procedures that are meant to preserve their safety and that of others:

- Do not prop doors open or allow strangers into campus buildings that have been secured
- Do not lend keys or access cards to non-students and do not leave them unattended
- Do not give access codes to anyone who does not belong to the campus community

Keys to the offices, laboratories, and classrooms on campus will be issued to employees only as needed and after receiving the proper authorization. Each department supervisor is responsible for assuring their area is secured and locked.

Employees must adhere to policies regarding unauthorized access to school facilities, theft of, or damage to, school property, or other criminal activity. In particular, rendering inoperable or abusing any fire prevention or detection equipment is prohibited. Violation of these policies may lead to disciplinary action, up to and including termination and the filing of charges with law enforcement authorities.

Employee and student identification cards may be used to verify the identity of persons suspected to be in campus facilities without permission.

### **Security Considerations in the Maintenance of Facilities**

Maintenance personnel regularly check to ensure pathways have sufficient lighting and that egress lighting is working in hallways and stairwells. If a student has maintenance or repair concerns they should alert their academic instructor of the concern.

## **Educational Programs Related to Security Awareness and Prevention of Criminal Activity**

The University seeks to enhance the security of its campus and the members of the campus community by periodically presenting educational programs to inform students and employees about campus security procedures and practices, to encourage students and employees to be responsible for their own security and the security of others and to inform them about the prevention of crimes. These programs are discussed below:

- Crime prevention programs are presented each semester by the Wellness Center, Title IX Coordinator, and the University Police Department. In addition, pamphlets and videos on crime prevention are available on the University Police website and myNorthwest for employees and students. Periodically e-mail blasts are sent out to the students and employees with crime prevention and other safety tips.
- The University also provides information at the beginning of each academic term for students and employees regarding the University's security procedures and practices. This information is in the form of posters and other displays, articles in the University newspaper, and e-mail blasts. Among other things, it advises students and employees of the importance of reporting criminal activity, to whom crimes should be reported, being responsible for their own safety and the safety of others and practices regarding timely warnings and emergency notifications.

## **Monitoring Off Campus Locations of Recognized Student Organizations**

The University does not have any officially recognized student organizations with off campus locations and therefore does not monitor or record criminal conduct occurring at such locations.

## **Disclosure of the Outcome of a Crime of Violence or Non-Forcible Sex Offense**

Upon written request, the University will disclose to the alleged victim of a crime of violence (as that term is defined in section 16 of title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the University against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of the paragraph.

The previous paragraph does not apply to victims of dating violence, domestic violence, sexual assault, or stalking because under the Violence Against Women Act both the accused and accuser in these cases are given the results without the need to make a written request.

## **Drug and Alcohol Policy**

We are committed to creating and maintaining an environment that is free of alcohol abuse. The University enforces the state's underage drinking laws and complies with state law and other applicable regulations governing alcoholic beverages for those on the University's premises or participating in its activities. The University strongly supports education and treatment programs as the most effective means to help prevent and reduce alcohol abuse. In addition, the University is committed to providing an academic and social environment that

supports individual freedom while promoting individual responsibility, health and safety, and community welfare. To that end:

1. The University expects that those who wish to include alcohol as part of their activities will do so responsibly and lawfully.
2. Persons planning events on campus should be mindful of the complexities introduced into planning an event with alcohol. Event management issues (the presentation of entertainment, provision of refreshments, management of the participants or audience, security, and other factors) require serious attention for any event, and all the more for an event at which alcohol is served. Event organizers must fully understand the University's alcohol policies (Alcoholic Beverages on University Property Policy, Illegal Drug and Alcohol Policy and Drug and Alcohol Policy) and applicable laws and manage their events accordingly.
3. Organizations may not plan events that promote or encourage the consumption of alcohol, nor may event planning be based upon the assumption of abusive or illegal alcohol consumption. Persons planning events should remember that the vast majority of events at the institution take place without alcohol, that most members of the undergraduate community are not of legal drinking age, and that among those who are, many do not drink alcoholic beverages at all.

**The University enforces federal and state drug laws.** The possession, sale, manufacture or distribution of illegal drugs is prohibited under both state and federal laws. Such laws will be enforced by the University's law enforcement authority on campus. Violators of the University's policies or federal and state laws regarding illegal drugs will be subject to disciplinary action and possibly criminal prosecution.

#### **Federal Drug Laws** (updated 08.01.2023)

**Denial of Federal Benefits (21 U.S.C. § 862)** A federal drug conviction may result in the loss of federal benefits, including loans, grants, scholarships, contracts, and licenses, although the Department of Education has said it will no longer disqualify students from Title IV aid for a federal or state conviction for possession or sale of a controlled substance.

**Forfeiture of Personal Property and Real Estate (21 U.S.C. § 853)** Any person convicted of a federal drug offense punishable by more than one year in prison shall forfeit to the United States any personal or real property related to the violation. **Federal Drug Trafficking Penalties (21 U.S.C. § 841)** Penalties for federal drug trafficking convictions vary according to the type and quantity of the controlled substance involved in the transaction. Penalties for subsequent convictions are more severe. Federally-defined schedules of controlled substances are published at 21 U.S.C. 812.

In the case of a controlled substance in schedule I or schedule II, GHB (or, "liquid ecstasy"), or flunitrazepam (or, "rohypnol"), a person shall be sentenced to a term of imprisonment of not more than 20 years. If death or serious bodily injury results from the use of a controlled substance which has been illegally distributed, the person convicted on federal charges of

distributing the substance faces the possibility of a life sentence and fines ranging up to \$10 million.

In the case of a controlled substance in schedule III, a person shall be sentenced to a term of imprisonment of not more than 10 years, and if death or serious bodily injury results, shall be sentenced to a term of imprisonment of not more than 15 years or a fine not to exceed \$500,000, or both, for a first offense.

For less than 50 kilograms of marijuana, the term of imprisonment shall not be more than five years, and the fine shall not be more than \$250,000, or both, for a first offense.

In the case of a schedule IV substance, the term of imprisonment shall not be more than five years, and the fine shall not be more than \$250,000, or both, for a first offense.

Persons convicted on federal charges of drug trafficking within 1,000 feet of an elementary school, secondary school, college, or university (**21 U.S.C. § 860**) face penalties of prison terms and fines which are twice as high as the regular penalties for the offense, with a mandatory prison sentence of at least one year, unless the offense involves five grams or less of marijuana.

**Federal Drug Possession Penalties (21 U.S.C. § 844)** Persons convicted on federal charges of possessing any controlled substance face penalties of up to one year in prison, a mandatory fine of no less than \$1,000, or both. Second convictions are punishable by not less than 15 days but not more than two years in prison and a minimum fine of \$2,500. Subsequent convictions are punishable by not less than 90 days but not more than three years in prison and a minimum fine of \$5,000.

Assent does not constitute consent if: (a) It is given by a person who lacks the mental capacity to authorize the conduct charged to constitute the offense and such mental incapacity is manifest or known to the actor; or (b) It is given by a person who by reason of youth, mental disease or defect, intoxication, a drug-induced state, or any other reason is manifestly unable or known by the actor to be unable to make a reasonable judgment as to the nature or harmfulness of the conduct charged to constitute the offense; or (c) It is induced by force, duress or deception.</p>

University Definition of Consent

In addition to the definition of consent under Missouri law, the University uses the following definition of consent for the purpose of determining whether a violation of its Title IX Sexual Harassment Policy has occurred: “Consent” refers to affirmative words or affirmative actions that a reasonable person in the perspective of the Respondent would understand as agreement

to engage in the sexual conduct at issue. A person who is incapacitated is not capable of giving Consent.

Lack of Consent is a critical factor in determining whether Sexual Assault has occurred. Consent is informed, freely given, and mutually understood. If coercion, intimidation, threats, and/or physical force are used, there is no Consent. Consent to one form of sexual activity does not imply consent to other forms of sexual activity. Consent can be withdrawn. A person who initially consents to sexual activity is deemed not to have consented to any sexual activity that occurs after they withdraw consent. A person who is incapacitated is not capable of giving Consent. Incapacitation may result from the use of alcohol and/or other drugs; however, the mere consumption of some alcohol or some amount of drugs is not necessarily sufficient to establish Incapacitation. The impact of alcohol or drugs varies from person to person, and evaluating Incapacitation requires an assessment of how consumption of alcohol and/or drugs impacts an individual's:

- Decision-making ability
- Awareness of consequences
- Ability to make informed judgments
- Capacity to appreciate the nature of circumstances of the act.

No single factor is determinative of Incapacitation. Some common signs that someone may be incapacitated include slurred speech, confusion, shaky balance, stumbling or falling down, vomiting, and unconsciousness.

### Risk Reduction

#### Risk Reduction

If you find yourself in an uncomfortable sexual situation, these suggestions may help you reduce your risk:

- Make your limits known before going too far.
- You can withdraw consent to sexual activity at any time. Do not be afraid to tell a sexual aggressor "NO" clearly and loudly.
- Try to remove yourself from the physical presence of a sexual aggressor. Be direct as possible about wanting to leave the environment.
- Grab someone nearby and ask them for help.
- Be responsible about your alcohol and/or drug use. Alcohol and drugs can lower your sexual inhibitions and may make you vulnerable to someone who views an intoxicated/high person as a sexual opportunity.
- Attend large parties with friends you trust. Watch out for your friends and ask that they watch out for you.
- Be aware of someone trying to slip you an incapacitating "rape drug" like Rohypnol or GHB.

If you find yourself in the position of being the initiator of sexual behavior, these suggestions may help you to reduce your risk of being accused of sexual assault or another sexual crime:

- Remember that you owe sexual respect to the other person.

- Don't make assumptions about the other person's consent or about how far they are willing to go.
- Remember that consent to one form of sexual activity does not necessarily imply consent to another form of sexual behavior.
- If your partner expresses a withdrawal of consent, stop immediately.
- Clearly communicate your sexual intentions so that the other person has a chance to clearly tell you their intentions.
- Consider "mixed messages" a clear sign that the other person is uncomfortable with the situation and may not be ready to progress sexually.
- Don't take advantage of someone who is really drunk or on drugs, even if they knowingly and intentionally put themselves in that state. Further, don't be afraid to step in if you see someone else trying to take advantage of a nearly incapacitated person.
- Be aware of the signs of incapacitation, such as slurred speech, bloodshot eyes, vomiting, unusual behavior, passing out, staggering, etc.

It is also important to be aware of the warning signs of an abusive person. Some examples include: past abuse; threats of violence or abuse; breaking objects; using force during an argument; jealousy; controlling behavior; quick involvement; unrealistic expectations; isolation; blames others for problems; hypersensitivity; cruelty to animals or children; "playful" use of force during sex; Jekyll-and-Hyde personality.

### Bystander Intervention

In addition to reporting incident to appropriate authorities, below are some way in which individuals can take safe and positive steps to prevent harm and intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking against another person.

- Look out for those around you.
- Realize that it is important to intervene to help others.
- Treat everyone respectfully. Do not be hostile or an antagonist.
- Be confident when intervening.
- Recruit help from others if necessary.
- Be honest and direct.
- Keep yourself safe.
- If things get out of hand, don't hesitate to contact the police.

### Other Information Covered by the PPAP

The PPAP also provides information on possible sanctions and protective measures that may be imposed following a determination that an offense of dating violence, domestic violence, sexual assault, or stalking has occurred, an explanation of the disciplinary procedures that will be followed when one of these offenses is alleged, the rights of the parties in such a proceeding, available resources, and other pertinent information. Much of this information is set forth in the upcoming sections of this security report.

### **Ongoing Prevention and Awareness Campaign:**

The University also conducts an Ongoing Prevention and Awareness Campaign (OPAC) aimed at all students and employees. This campaign covers the same material as provided in the PPAP, but is intended to increase the understanding of students and employees on these

topics and to improve their skills for addressing the offenses of dating violence, domestic violence, sexual assault and stalking.

### **PPAP and OPAC Programming Methods:**

The PPAP and OPAC are carried out in a variety of ways, using a range of strategies, and, as appropriate, targeting specific audiences throughout the University. Methods include, but are not limited to: online presentations, distribution of written materials, periodic email blasts, and guest speakers. Past programming and currently planned programming include the following:

- PPAPs

### **Procedures to Follow if You are a Victim of Dating Violence, Domestic Violence, Sexual Assault, or Stalking:**

If you are a victim of dating violence, domestic violence, sexual assault, or stalking, go to a safe place and call 911 or the University Police Department at 660.562.1254. You may also contact the University's Title IX Coordinator at 660.562.1873. If you are in immediate danger, please contact the Gladstone Police Department at 816.436.3550 or 911.

Victims will be notified in writing of the procedures to follow, including:

1. To whom and how the alleged offense should be reported (contact the Title IX Coordinator or refer to the other resources listed in this report).
2. The importance of preserving evidence that may be necessary to prove the offense in a criminal proceeding or disciplinary action or to obtain a protective order.
3. The victim's options regarding notification to law enforcement, which are: (a) the option to notify either on-campus or local police; (b) the option to be assisted by campus security authorities in notifying law enforcement if the victim so chooses (the institution is obligated to comply with such a request if it is made); and (c) the option to decline to notify such authorities.
4. Where applicable, the rights of victims and the institution's responsibilities regarding orders of protection, no-contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

### *Preservation of Evidence & Forensic Examinations*

Victims of physical assault are advised to not remove clothing items worn during or following an assault, as they frequently contain valuable fiber, hair, and fluid evidence. Don't bathe or wash, or otherwise clean the environment in which the assault occurred. You can obtain a forensic examination at Liberty Hospital – All survivors of sexual violence are highly encouraged to seek care from a Sexual Assault Nurse Examiner (SANE) to collect any evidence available. Additionally, Liberty Hospital can provide treatment for injuries and/or sexually transmitted infection and offers pregnancy tests and emergency contraception. Walk-in emergency care is available 24/7 at the hospital. The address is 2525 Glenn Hendren Drive, MO 64068. For more information call 816.781.7200. Completing a forensic examination does not require you to file a police report, but having a forensic examination will help preserve evidence in case you decide at a later date to file a police report. Victims are also advised to retain evidence in electronic formats (e.g., text messages, emails, photos, social media posts, screenshots, etc.). Such evidence is valuable in all situations, and it may be the only type of evidence available in instances of stalking..

### *Security/Law Enforcement & How to Make a Police Report*

- Gladstone Police Department - GDP is the law enforcement agency for the City of Gladstone and its officers are available 24/7 to respond to emergencies or receive reports of sexual and relationship violence that occur. GDP can be contacted at 816.436.3550 or by calling 911.

- To make a police report, a victim should contact the Gladstone Police Department listed above either by phone or in-person. The victim should provide as much information as possible, including name, address, and when and what occurred, to the best of the victim's ability.

### Information about Legal Protection Orders

In Missouri, victims may obtain an Adult Order of Protection, which provides protective relief for victims of domestic violence, stalking, or sexual assault. Information about Adult Orders of Protection may be found at: <http://www.courts.mo.gov/page.jsp?id=533>.

A protection order may be obtained by filing a petition with the court. Courts can issue two types of orders: (1) Ex Parte Orders, which act as a temporary emergency order to protect a victim, for up to 15 days, until a court hearing, and (2) Full Orders of Protection, which may be issued for up to one year. Additional information about the orders may be found at: <http://www.courts.mo.gov/file.jsp?id=69655>.

- A Petition for Order of Protection should be filed for in the 16th Circuit of Jackson County's Kansas City Courthouse. The address is: 415 E. 12th Street, Kansas City, Missouri 64106. The phone number is 816-881-3971. More information is available here: <https://www.16thcircuit.org/domestic-violence>.
- Information about obtaining an Order of Protection in Jackson County can be found here: [https://www.16thcircuit.org/Data/Sites/1/media/Civil\\_Records/booklet-16.pdf](https://www.16thcircuit.org/Data/Sites/1/media/Civil_Records/booklet-16.pdf).
- The circuit court clerk's office can provide the necessary forms and may assist in completing the forms. Forms may also be found online at: <http://www.courts.mo.gov/file.jsp?id=537>
- A victim should be prepared to present documentation and/or other forms of evidence when filing for an order of protection.

Victims may contact local domestic violence and sexual assault advocates for assistance in obtaining a protection order.

- The Kansas City Missouri Police Department provides advocates for victims of domestic violence through their Victim Services Office. The KCPD is located at: 1125 Locust, Kansas City, Mo. 64106. The Victim Advocate phone number is: 816- 234-5205. More information may be found at: <https://www.kcpd.org/crime/victim-resources/victim-assistance-unit/>

When a protection order is granted, it is enforceable statewide. If you have obtained a protection order and need it to be enforced in your area, you should contact the local police department.

The institution will also enforce any temporary restraining order or other no contact order against the alleged perpetrator from a criminal, civil, or tribal court. Any student or employee who has a protection order or no contact order should notify the Title IX Coordinator and provide a copy of the restraining order so that it may be kept on file with the institution and can be enforced on campus, if necessary. Upon learning of any orders, the institution will take all reasonable and legal action to implement the order.

- The University does not issue legal orders of protection. However, as a matter of University policy, the University may impose a no-contact order between individuals in appropriate

circumstances. The University may also issue a “no trespass warning” if information available leads to a reasonable conclusion that an individual is likely to cause harm to any member of the campus community. A person found to be in violation of a “no trespass warning” may be arrested and criminally charged.

### **Available Victim Services:**

Victims will be provided written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available to them, both within the University and in the surrounding community. Those services include:

- Personal Development and Counseling Services – Counseling services are provided free of charge to all Northwest students, and the University highly recommends that survivors speak with a counselor. These conversations are confidential in nature. The PDC is located in the Wellness Center and appointments can be scheduled by calling 660-562-1348.
- Student Financial Aid – If you are considering taking a leave of absence from the University because of the circumstances surrounding your complaint, please keep in mind that there may be financial aid implications. The Title IX Coordinator or a Deputy Title IX Coordinator can assist you in contacting the appropriate personnel in the financial aid office in order to ensure you have an understanding of any financial aid related issues that may arise. Here is a link to Northwest’s financial aid website (<http://www.nwmissouri.edu/finaid/index.htm>).

### **Off-Campus Resources**

- North Star Advocacy – The North Star Advocacy can provide a survivor advocate and residential shelter, and it facilitates survivor support groups. To contact CFC, call 660-562-2320. CFC’s website is <https://northstarac.org/>

### **Accommodations and Protective Measures:**

The University will provide written notification to victims about options for, and available assistance in, changing academic, living, transportation, and working situations or protective measures. If victims request these supportive or protective measures and they are reasonably available the University is obligated to provide them, regardless of whether the victim chooses to report the crime to campus security or local law enforcement.

If victims request these supportive or protective measures and they are reasonably available the University is obligated to provide them, regardless of whether the victim chooses to report the crime to campus security or local law enforcement.

Request for supportive or protective measures should be made to the Title IX Coordinator at 660.562.1873, and the Title IX Coordinator is responsible for deciding what, if any supportive or protective measures will be implemented.

When determining the reasonableness of such a request, the University may consider, among other factors, the following:

- The specific need expressed by the complainant.
- The age of the students involved.
- The severity or pervasiveness of the allegations
- Any continuing effects on the complainant
- Whether the complainant and alleged perpetrator share the same class or job location.
- Whether other judicial measures have been taken to protect the complainant (e.g., civil protection orders).

The University will maintain as confidential any accommodations or protective measures provided a victim to the extent that maintaining confidentiality would not impair the University's ability to provide them. However, there may be times when certain information must be disclosed to a third party in order to implement the accommodation or protective measure. Such decisions will be made by the University in light of the surrounding circumstances, and disclosures of this nature will be limited so that only the information necessary to implement the accommodation or protective measure is provided. In the event it is necessary to disclose information about a victim in order to provide an accommodation or protective order, the University will inform the victim of that necessity prior to the disclosure, Whether the complainant and alleged perpetrator share the same class or job location.

### **Procedures for Disciplinary Action:**

Allegations of domestic violence, dating violence, sexual assault or stalking will be processed through the institution's Title IX Sexual Harassment policy and the related complaint resolution procedures. Allegations of sexual harassment that do not meet the jurisdiction requirements for Title IX may be addressed using the complaint resolution procedures

outlined in the Non-Discrimination and Anti-Harassment Policy, Student Handbook, Code of Conduct and Faculty Handbook.

Complaints or notice of alleged policy violations, requests to initiate an investigation, or inquiries about or concerns regarding the policies may be made to the Title IX Coordinator or Deputy Coordinator using the contact information below:

Stephanie Krauth, AVP Student Affairs – Title IX/Equity, Administration Building 305,  
660.562.1873 skrauth@nwmissouri.edu

Krista Barcus, Deputy Title IX Coordinator and AVP Human Resources, Administration Building 125, 660.562.1128 kbarcus@nwmissouri.edu

Sexual harassment reports can also be submitted electronically using this [https://cm.maxient.com/reportingform.php?NorthwestMOStateUniv&layout\\_id=4](https://cm.maxient.com/reportingform.php?NorthwestMOStateUniv&layout_id=4). Reports submitted using this online form will be routed to appropriate University officials for action during routine business hours; this form should not be used to report emergency situations.

#### Response Upon Receipt of Formal Complaint of Sexual Harassment

If the Complainant files a Formal Complaint, the Title IX Coordinator will initiate the Formal Grievance Process which entails: 1) investigation; 2) live hearing with cross-examination of parties and witnesses; 3) determination of responsibility based on the preponderance of evidence standard and sanction (if applicable); and 4) option for appeal. A notice will be provided to the parties of the investigation, including a description of the process to be utilized, the identities of the parties, the conduct at issue, the dates and location of the alleged incident. The Notice will also inform both parties that they are entitled to have an advisor of their choice accompany them to any related meetings or proceeding to provide counsel and support, although these advisors will not be permitted to speak or advocate for the parties.

The Title IX Coordinator will assign an investigator to investigate the matter. During the investigation, the Complainant and Respondent will each have an equal opportunity to describe the situation and present witnesses, including both fact and expert witnesses, and other supporting evidence. The investigator(s) will review the statements and evidence presented and may, depending on the circumstances, interview others with relevant knowledge, review documentary materials, and take any other appropriate action to gather and consider information relevant to the complaint. Prior to the conclusion of the investigation, both parties will be provided an opportunity to review the evidence gathered during the investigation that is directly related to the allegations raised in the formal complaint.

Upon completion of the investigation, both parties will be given a copy of an investigation report, and a live hearing will be conducted to make a determination as to whether any allegations in the complaint were found to be substantiated by a preponderance of the evidence. The hearing officer assigned by the Title IX Coordinator will prepare a written determination of responsibility, and whether any remedies will be provided to the Complainant, and a description of the procedures and permissible grounds for appeal. Title IX Coordinator will notify the parties of this determination in writing. The institution strives to complete investigations of this nature within 60 calendar days.

Both parties have an equal opportunity to appeal the determination by filing a written appeal with the Appeal Officer within 7 business days of being notified of the outcome of the investigation. The Provost will serve as the Appeal Officer for matters involving student respondents, and the Vice President of Student Affairs will be the Appeal Officer for matters Title IX Coordinator within 7 business days of being notified of the outcome of the investigation. The Title IX Coordinator will appoint an appeal decisionmaker to consider the appeal and render a decision, typically within 21 days of receipt of request.

**Informal Resolution:** At any time after the parties are provided written notice of the Formal Complaint, and before the completion of any appeal, the parties may voluntarily consent, with the Title IX Coordinator's approval, to engage in administrative adjudication, mediation, facilitated resolution, or other form of dispute resolution the goal of which is to enter into a final resolution resolving the allegations raised in the Formal Complaint by agreement of the parties. Parties may agree to pursue an informal resolution in certain cases (not allowed in cases where it is alleged that an employee sexually harassed a student) at any time after a Formal Complaint is filed and before a determination of responsibility is made.

### **Complaints that Do Not Meet Title IX Policy Jurisdiction Requirements**

For complaints that do not meet jurisdictional requirements in the Title IX policy, the Title IX Coordinator will determine whether to refer the matter to another complaint resolution process. While the alternate process will involve unbiased investigation and equitable treatment of the parties, it may not include a live hearing or an appeals process. Both parties will be notified in writing about the investigation and be given the opportunity to present evidence and to see and respond to the evidence collected. Both parties are entitled to have an advisor of their choice accompany them to any related meetings or proceeding to provide counsel and support, although these advisors will not be permitted to speak or advocate for the parties.

In cases addressed through the Student Conduct or process identified in the Faculty Handbook, the investigator will prepare and submit a final report, including a determination of responsibility made based on a preponderance of the evidence standard. If there is a finding of responsibility, the investigator will issue a sanction in collaboration with the applicable university assistant vice president (for students) or HR (for employees). Once a determination is made, the parties will be provided written notice of the investigation outcome concurrently, typically within 7 days following the determination.

The University will make a good faith effort to complete the resolution process within a 60 day time period, including appeal, which can be extended as necessary for appropriate cause by the Title IX Coordinator or appropriate University official, who will provide notice and rationale for extensions or delays.

### **Rights of the Parties in an Institutional Proceeding:**

During the course of the process described in the previous section, both the accuser and the individual accused of the offense are entitled to:

1. A prompt, fair and impartial process from the initial investigation to the final result.
  - o A prompt, fair and impartial process is one that is:

- Completed within reasonably prompt timeframes designated by the institution’s policy, including a process that allows for the extension of timeframes for good cause, with written notice to the accuser and the accused of the delay and the reason for the delay.
  - Conducted in a manner that:
    - Is consistent with the institution’s policies and transparent to the accuser and the accused.
    - Includes timely notice of meetings at which the accuser or accused, or both, may be present; and
    - Provides timely access to the accuser, the accused and appropriate officials to any information that will be used during the informal and formal disciplinary meetings and hearings.
  - Conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused.
2. Proceedings conducted by officials who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Such training addresses topics such as relevant evidence and how it should be used during a proceeding, proper techniques for questioning witnesses, basic procedural rules for conducting a proceeding, and avoiding actual and perceived conflicts of interest.

3. The same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. The institution may not limit the choice of advisor, but may establish limits regarding the extent to which that advisor may participate in the proceeding, as long as those limits apply equally to both parties.
4. Have the outcome determined using the preponderance of the evidence standard for institutional disciplinary proceedings arising from an allegation of dating violence, domestic violence, sexual assault, or stalking.
5. Simultaneous, written notification of the results of the proceeding, any procedures for either party to appeal the result, any change to the result, and when the result becomes final. For this purpose, “result” means “any initial, interim and final decision by an official or entity authorized to resolve disciplinary matters” and must include the rationale for reaching the result and any sanctions imposed.

**Possible Sanctions or Protective Measures that the University May Impose for Dating Violence, Domestic Violence, Sexual Assault or Stalking Offenses:**

Following a final determination in the institution’s disciplinary proceeding that domestic violence, dating violence, sexual assault, or stalking has been committed, the institution may impose a sanction depending on the mitigating and aggravating circumstances involved. The possible sanctions include:

- Expulsion/Termination

- Suspension, of a term of at least a semester
- Suspension until complainant has graduated or otherwise separated from the University
- Suspension, of a term determined by Human Resources
- No-Trespass Order issued through UPD
- No-Contact Order issued through Title IX Office
- Permanent or temporary ban from living in residence halls
- Permanent or temporary ban from participating in student groups or University sanctioned groups
- Permanent or temporary ban from attending University events
- Campus probation, for duration of time as student
- Staff probation • Termination of admissions or employment offer
- Educational and training requirements prior to reinstatement, or in addition to sanctions

If a suspension is imposed on a student, it may be for part of a semester, a full semester, or an entire academic year. An employee may be suspended for any length of time determined appropriate by the AVP of Human Resources in consultation with the Title IX Coordinator. Following a suspension, the individual will be required to meet with the VP of Student Affairs (student) or AVP of Human Resources (employee) to discuss re-entry and expectations going forward.

In addition, the University can make available to the victim a range of supportive/protective measures. They can include such things as: forbidding the accused from entering the victim's residence hall and from communicating with the victim, other institutional no-contact orders, security escorts, modifications to academic requirements or class schedules, changes in living or working situations, etc.

If a report is not closed as a result of the preliminary assessment specified in Section IX, the University will offer and make available Supportive Measures to the Complainant regardless of whether the Complainant elects to file a Formal Complaint. Contemporaneously with the Respondent being notified of a Formal Complaint, the Title IX Coordinator will notify the Respondent of the availability of Supportive Measures for the Respondent, and the University will offer and make available Supportive Measures to the Respondent in the same manner in which it offers and makes them available to the Complainant. The University will also offer and make available Supportive Measures to the Respondent prior to the Respondent being notified of a Formal Complaint, if the Respondent requests such measures. The University will maintain the confidentiality of Supportive Measures provided to either a Complainant or Respondent, to the extent that maintaining such confidentiality does not impair the University's ability to provide the Supportive Measures in question.

### **Publicly Available Recordkeeping:**

The University will complete any publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifiable information about victims of dating violence, domestic violence, sexual assault, and stalking who make reports of such to the University to the extent permitted by law.

## **Victims to Receive Written Notification of Rights:**

When a student or employee reports to the University that he or she has been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the University will provide the student or employee a written explanation of his or her rights and options as described in the paragraphs above.

## **Sex Offender Registration Program:**

The Campus Sex Crimes Prevention Act of 2000 requires institutions of higher education to advise members of the campus community where they can obtain information provided by the state concerning registered sex offenders. It also requires sex offenders to notify the state of each institution of higher education in the state at which they are employed or enrolled or carrying on a vocation. The state is then required to notify the University of any such information it receives. Anyone interested in determining whether such persons are on this campus may do so by contacting the University Police Department at University Police Department. State registry of sex offender information may be accessed at the following link: <http://www.mshp.dps.mo.gov/MSHPWeb/PatrolDivisions/CRID/SOR/SORPage.html>

## **Timely Warnings and Emergency Response**

### *Timely Warnings*

In the event of criminal activity occurring either on campus or off campus that in the judgment of the University Police Department and Director Northwest-Kansas City constitutes a serious or continuing threat to members of the campus community, a campus-wide “timely warning” will be issued. Examples of such situations may include a sexual assault or a series of motor vehicle thefts in the area that merit a warning because they present a continuing threat to the campus community. Warnings will be communicated to students and employees via one or more of the methods discussed later in this section. Updates to the warnings will be provided as appropriate.

Anyone with information warranting a timely warning should immediately report the circumstances to:

- University Police Department, 660.562.1254
- Director-Kansas City Center, 816.261.3767

The University has communicated with local law enforcement asking them to notify the University if it receives reports or information warranting a timely warning.

### *Emergency Response*

The University has an emergency management plan designed to ensure there is a timely and effective response in the event of a significant emergency or dangerous situation occurring on campus involving an immediate threat to the health or safety of members of the campus community. Such situations include, but are not limited to: tornadoes, bomb threats, chemical spills, disease outbreaks, fires, active shooters, etc.

The University has communicated with local police requesting their cooperation in informing the University about situations reported to them that may warrant an emergency response. Students, staff and visitors are encouraged to notify the University Police Department at 660.562.1254 of any emergency or potentially dangerous situation.

University Police has the responsibility of responding to and summoning the necessary resources to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, University Police has a responsibility to respond to such incidents so that it can assist in the determination of whether the situation does in fact pose a threat to the community.

University Police in consultation with other appropriate personnel is primarily responsible for confirming that there is a significant emergency or dangerous situation on campus that could cause an immediate threat to the health and safety of the members of the campus community. There are other departments on campus/off that could be in a position to assist confirming certain types of emergencies, such as a pandemic flu outbreak, gas leak, etc. University Police will respond and/or summon the appropriate personal to evaluate the report and determine the severity of the emergency or dangerous situation. University police will make the final judgement regarding the severity based on the totality of the information they observe, receive from others, determine with a validated instrument, etc.

The University Police Department has access to the systems to notify the campus community of immediate threats that have occurred and necessitate evacuation, shelter in place, or other actions on the part of students, employees, and campus visitors. University Police and/or local first responders will assist those preparing the emergency notification with determining what segment or segments of the University community should receive the notification. If the emergency affects a significant portion of the entire campus, University officials will distribute the notification to the entire campus community. However, if appropriate to a specific incident, University Police does have the capability to activate our simplex alarm system notifications to the campus community members in the immediate area of the dangerous situation (i.e. a specific building or adjacent buildings.) In this instance, University officials will continue to monitor the situation and may send subsequent notifications to a wider group of community members. Once an emergency notification is made, adequate follow-up information will be provided to the community as needed. The institution typically provides follow-up information to the community using the same systems that were used to send out the original alert.

University Police will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of student, employees and visitors occurring on or reasonably contiguous to the campus, unless issuing a notification will, in the professional judgment of first responders, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The typical first responders to an incident that causes an immediate threat to the health and safety of the Northwest community include University Police, Maryville Public Safety, Nodaway County Sheriff's Department, Nodaway County Ambulance Services, and the Missouri State Highway Patrol. Additional information deemed appropriate by the University Police Department will be disseminated at different points in times during and after an incident.
