CALCULATOR USE

Policy Name:	Calculator Use
Effective Date:	Unknown
Responsible Office:	Registrar's Office
Category:	Enrollment and Academics

I. Policy

Calculators may be permitted in some courses. If a calculator or programmable calculator is not to be used in a course, the faculty member is to include a clear statement on the course syllabus such as, "Calculators are not to be used during tests for this class" or "All memories in programmable calculators must be empty during tests for this class." It will be considered cheating in all classes when students violate the above statements.
