I. Policy

The University is accredited by the National Council for Accreditation of Teacher Education for the preparation of elementary and secondary teachers. Programs carry state approval by authority of the Missouri State Board of Education. Consequently, all instructors must be certified to teach in the state of Missouri in accordance with the [Missouri Department of Elementary & Secondary Education](#) requirements.

Information in-regards to obtaining teaching certificates in other states is available in the School of Education:

Brown Hall, Room 200.
