WHAT CAN I RECYCLE?

Mixed Paper and Boxes

We accept paper, cardboard, empty food and pizza boxes. Please break down large boxes and place them in outside paper recycling dumpsters.

Plastic, Glass, and Aluminum

Please place empty plastic, glass, and aluminum containers into inside recycling bins. There are also large bins located outside each Residence Hall and the Northwest Recycling Center on Country Club Drive.

Northwest is committed to resource conservation and the reduction of its long-term environmental impact.

WHERE CAN I RECYCLE?

RECYCLING MADE EASY

There are more than 150 recycling Centers on campus. They can be found in every academic building on campus.

Most Campus offices are equipped with totes for collecting recyclables. Each office is responsible for bringing their paper to the outside dumpsters.

- Paper and cardboard recycling dumpsters are located throughout campus.
- Mixed Recycling Dumpsters Are Located Outside Every Residence Hall
