Fund student living expenses beyond tuition

Flywire is a proud partner of

NORTHWEST
MISSOURI STATE UNIVERSITY

Student living expenses go beyond just paying tuition. Now, you can transfer money safely and securely to your U.S. account for living expenses via our trusted partner, Flywire!

To better serve students and their families, Flywire, with EBIXCASH, has developed a solution which allows students and their families to transfer money securely via Forex card and send funds from India to the student's bank account in the U.S. for living expenses.

What sets Flywire and EbixCash apart?

Our pricing is some of the most competitive in the market – offering the same great rates as tuition.

Transfers can settle in less than 48 hours! Many transactions are even able to settle the same day.

Automatically calculates TCS and GST, collecting the tax at the time of the transaction to simplify the process.

What you see is what you pay! There are no surprise fees or extra charges at checkout.

Safe and secure! No need to travel with large amounts of cash or worry about your funds.

What student expenses products are Flywire and EbixCash offering?
