To Whom it May Concern:

Northwest Missouri State University has partnered with Flywire in order to streamline the tuition payment process of international payments. Flywire allows students to pay securely from any country and any bank, generally in the student's home currency. We have countless students use this option, as it is a reputable company that is efficient to use.

Payments are due on the 15th of each month. Any outstanding balances after that will be assessed a \$20.00 late fee.

For additional questions or concerns regarding this payment option please contact Flywire (<https://www.flywire.com/contact>).

Sincerely,

Ashley Henggeler
