Spanish. Students gain specialty knowledge in film studies, language education and teaching, pluralism and multiculturalism, international relations and politics and language policy.

Minor in Spanish

A minor in Spanish teaches the foundations of Spanish communication and culture, conversation and composition. After taking the required courses, students can customize their minor from a list of approved electives. For a list of required courses, visit the academic catalog. This minor requires the completion of 24 credit hours.

CAREER OPPORTUNITIES

100%
placement rate

100% of students who graduate with a Spanish degree obtain employment or continue their education within six months after graduation. Career opportunities related to this major include:

- Interpreter
- International business
- Cultural advisor

*Based on self-reported data

INTERNSHIPS

Although internships are not required for Spanish majors, they are encouraged. Faculty work with students majors to build personalized Spanish-language internships through local Latino communities and businesses trying to connect with Spanish-language markets.
