

## 2022-2023 Catalog

This Four-Year Plan is meant to supplement your **Degree Audit**. You should work with your academic advisor on a regular basis for individual academic planning.

\*This Four-Year Plan represents a Comprehensive major which needs no minor. General Electives are needed to reach the **120 credit hours needed for graduation**. Advanced Criminology courses should be chosen with Advisor counseling.

\*PHIL 39-275 and MATH 17-114 fulfill both a NW Core requirement and a major requirement, but the number of credit hours counts only once toward the total number of hours needed for graduation.

**Milestone course** are courses, if not taken in the appropriate semester, can delay graduation. Milestone courses are denoted in yellow below.
