

UB SCOOP

May 2019

Hello Upward Bound!

The sun has finally arrived and summer is just around the corner! It is so wonderful to see green grass, trees full of leaves, and flowers growing everywhere. This beautiful scenery signifies the new opportunities and growth as we really move through the new year. This energy is just what we need as we prepare for summer at Upward Bound!

The Upward Bound staff has been working diligently to finalize everything for our Summer Component to make sure all of you students have a great

experience. The classes we have this year are outstanding, and the activities are going to be so much fun! This year we will be back in South Complex. Carts will be available to move in belongings. Please keep in mind that there is only one elevator, which will be in high demand. It may work better to save the carts for heavy, hard to move items and carry the rest when possible. We are looking forward to seeing all of you on Sunday, June 2nd!

On a different note, good job to all of you for posting updates in our Upward Bound Facebook page! It is so great to see your beautiful prom pictures and we are so incredibly proud of all of you that are graduating. Keep the updates and pictures coming!!! What a great way to share news with our Upward Bound family, present and past!

Bridge Intern: Hello, my name is Prentiss Smith and I will be the Bridge Intern this summer. For this upcoming fall semester, I will be a senior and I plan to graduate in May 2020 with a degree in Human Services and a minor in Sociology. I like to have fun with friends and collaborate with others like me for a fun and worthy cause. I love to help people and hopefully, I will be able to find a great career doing so. I cannot wait to work with the students and staff to make this summer great!

Hi, my name is Tyler "Ty" Bears, I work for TRiO as the Office Assistant to all three programs. As much as I enjoy work at the office, I also enjoy trying new foods, meeting different people, starting conversations with strangers, and discovering music that I have never heard.

Hello UB! My name is Delanie Vinzant and I am a Maryville native and Upward Bound graduate. I am currently studying biological sciences and economics with a minor in leadership and public service at Mizzou! I have also been doing research in a microbiology lab, and I'm hoping to be published in a scientific journal soon. I will be on UB staff for the first time this summer as the Summer Program Assistant, and I am so excited to come back home and spend my fifth consecutive summer with the program. I'll see you all soon!

SENIORS' DESTINATIONS!!!

While we will miss our Seniors after this summer, they are off to accomplish wonderful things in college! We are proud of each and every one of you. Good luck!!!

Packing Tips!

1. Roll your clothes in suitcases. It takes less room than folding them, so you can fit more in your suitcase!

2. For clothes that you will hang, leave them on the hangers, and pull a kitchen sized trash bag up over several at a time. This keeps the clothes organized and contained, while also saving time by leaving them on the hanger!

3. Put bottles/containers with liquid in plastic baggies. Or you can unscrew the lid, and put a piece of plastic wrap over the neck of the bottle, then screw the lid back on. Sealed!

4. Small items can be put inside of shoes to save space!

Meet the Resident Assistants!

My name is Jesus A. Gonzalez A. I am from Caracas, Venezuela. I have played soccer since I was 10 years old. My hobbies are watching movies, playing video games and sports. I am a calm person that enjoys a good trip to the beach, but I get too competitive playing Monopoly. Out of sports the two activities that I enjoy the most are go-karts and paintball. I have a young brother and a sister, both live in Europe. I have a Bachelor's Degree in Economics and I am currently enrolled in a MBA at Northwest Missouri State University.

Hi there! I'm Carrington Kass, a Junior At Northwest Missouri State University, and a Elementary Education Major. I am super excited to start programming and make your experiences in Upward Bound great!

I am extremely excited to get to know everyone and can not wait to meet my family!

My name is Season Higgins and I am a recent graduate of Northwest Missouri State University (NWMSU). While at NWMSU I obtained my Bachelors of Music Education in Instrumental Music with a minor in psychology. I am originally from a small town, northwestern Iowa, however last May I moved to Columbia, MO with my husband following his own graduation from NWMSU. Since graduating I have been working as a substitute teacher in the Columbia Public Schools and have recently accepted a job offer to teach middle school band at Gentry Middle School here in Columbia beginning this August. I am a TRiO alumni myself from an Upward Bound program in northwest Iowa and this will be my 6th summer working for TRiO at NWMSU and my 10th summer involved in Upward Bound. I am so excited to get to join you all for another summer and can't wait to see everybody soon!

Hello Upward Bound! My name is Lydia Mitchell and I will be one of your RAs this summer! I'm excited to get started and for all the fun we are going to have! I grew up in Maryville

and have been a part of the Upward Bound Program for three years. Currently, I am earning my double major in Environmental Science and Policy at Knox College in Galesburg, Illinois. I also play on the Women's Soccer team at Knox and serve as a Student Senator. Some of my hobbies are running, reading, and embroidery. I also enjoy hanging out with friends learning new things! I'm looking forward to learning from all of you!

Hi everyone! My name is Kati and I am a senior at Northwest studying Human Services. I am a huge Marvel movie and DC show fan. In my spare time, you'll find me reading a book, watching a movie, or hanging out with friends. After college, I aspire to be a high school counselor, so Upward Bound is going to be a great learning experience for me. I can't wait for an awesome summer with you all!

Hello everyone! My name is Seth Heath and I am a Computer Science major at Northwest. I was an RA last year and I loved every minute of it! I was in UB when I was in high school as well. One day I want to get my PhD in astrophysics and study the universe. I also

dabble in video games and I'm always willing to take on any challenger! I look forward to spending this summer with my UB family once again!
