## Hello Upward Bound!

The sun has finally arrived and summer is just around the corner! It is so wonderful to see green grass, trees full of leaves, and flowers growing everywhere. This beautiful scenery signifies the new opportunities and growth as we really move through the new year. This energy is just what we need as we prepare for summer at Upward Bound!

The Upward Bound staff has been working diligently to finalize everything for our Summer Component to make sure all of you students have a great

experience. The classes we have this year are outstanding, and the activities are going to be so much fun! In case you did not already know, we will be housed in Roberta Hall this year. This is a different hall from where we were the last few years. For move-in, it will work best if everyone parks and unloads belongings behind the building. The ramp needing to be used for carts for your belongings is on the south end of the parking lot. We are looking forward to seeing all of you on Sunday, June 3<sup>rd</sup>!

On a different note, good job to all of you for posting updates in our Upward Bound Facebook page! It is so great to see your beautiful prom pictures and we are so incredibly proud of all of you that are graduating. Keep the updates and pictures coming!!! What a great way to share news with our Upward Bound family, present and past!

**Bridge Intern:** My name is Karly Johnson, and I have just finished my junior year here at Northwest Missouri State. I am originally from Omaha, NE and lived there my whole life until coming to college. I am working on a degree in Human Services with a minor in Child and Family studies. Once I graduate with my undergraduate degree I will be going to school to get my masters in School Counseling, and I am SO EXCITED! My true passion is to help others. Whether it is simple tasks or large scale, helping those around me is truly when I am happiest. My time at Northwest so far has been more than I could ever ask for. I am involved in a sorority on campus, Cardinal Key Honor Society and work as an assistant preschool teacher on campus- I LOVE MY JOB! Off campus I love to spend time with my best friends, visit my family, go to my lake house, and travel. I make frequent trips to Colorado (my favorite place in the entire world). My DREAM is to move there after graduate school. My second favorite place in the world is Haiti. Some very special people in my life live in Haiti, and I try to go once a year to visit. Other fun facts: Pizza is my FAVORITE, I wish that I had a dog, I have watched Grey's Anatomy too many times to count and I love to take naps. I am so excited to have the chance to get to know you this summer!

Hi, my name is Tyler "Ty" Bears, I work for TRiO as the Office Assistant to all three programs. As much as I enjoy work at the office, I also enjoy trying new foods, meeting different people, stating conversations with strangers, and discovering music that I have never heard.

My name is Paxson Haws and I just finished my sophomore year at the University of Oklahoma. I am studying journalism and working at the school newspaper, the OU Daily. I was the visual editor for this semester and will be a web designer this fall for The Daily. I graduated Maryville High School in 2016 and participated in Upward Bound throughout my high school career. This summer, I will be back at Upward Bound and working as an office assistant and taking photos of the Omaha Storm Chasers.

## Packing Tips!

1. Roll your clothes in suitcases. It takes less room than folding them, so you can fit more in your suitcase!

2. For clothes that you will hang, leave them on the hangers, and pull a kitchen sized trash bag up over several at a time. This keeps the clothes organized and contained, while also saving time by leaving them on the hanger!

3. Put bottles/containers with liquid in plastic baggies. Or you can unscrew the lid, and put a piece of plastic wrap over the neck of the bottle, then screw the lid back on. Sealed!

4. Small items can be put inside of shoes to save space!

Hi Guys! My Name is Lonnae but most people call me Nae. I will be a junior at Northwest Missouri State this fall and my major is Psychology. I am from Lee's Summit, Mo and I have one sister and four brothers. I love playing games, doing community service, and just hanging out with my friends! I'm a member of a service organization called Sigma Society where we are always giving back to the community. I'm a very upbeat person and typically am very loud. This is my first year with UB and I am excited to jump in and for getting to know everyone!

Hello everyone!

My name is Arianne Bredlow. This will be my third summer as an RA with Upward Bound! I am so excited to get started! I am originally from Ravanwood, MO and was in UB in high school. I currently live in Kansas City, MO

and I Co-Teach ELA for grades 3-5 at Cameron Intermediate School. I obtained my Bachelor's in Education from Northwest Missouri State University. When not busy with school, I am the Activities Coordinator for Camp Quality Northwest Missouri, a summer camp for children with cancer. On top of all this, I am busy planning my wedding, which will be next summer! I love blue, green, coloring, the Seahawks, Royals, Blackhawks, and all things Disney! Bring on a WONDERFUL summer!

My name is Season Higgins and I am a senior music education major here at Northwest. I am originally from Estherville, Iowa which is a small town located in the Northwestern part of the state around 10 miles from the Iowa-Minnesota border. I am a TRiO alumni myself from an Upward Bound program in Northwest Iowa and have worked for the TRiO office for going on five years now. This will be my third summer as an Upward bound RA and I cannot wait to meet you all come June!

Hey, Ubers! Some of you already know me, but for those who don't, my name is Korbin. I grew up in the Upward Bound program at Northwest Missouri State University. I actually just graduated from here with my Bachelor of Arts in Writing and my Bachelor of Arts in Spanish. (I actually got to spend last summer in Paraguay studying Spanish and travel writing, which is why I wasn't an RA!) In the fall, I'll be pursuing my Master of Fine Arts in Poetry at KU with full-funding, so stick with it! One day, people might be paying YOU to go study. Outside of academics, I run my own spiritual advisement business and run Fearsome Critters, an arts journal I started. My personal passions include poetry, photography, graphic design, and podcasts (especially paranormal and true crime podcasts). My favorite musicians/bands right now are Glass Animals, Carly Rae Jepsen, Maluma, Kchi-porros, Kacey Musgraves, and Allie X. As for movies: horror and Spanish-language are my favorites, especially when they overlap! I'm super extroverted, so if you ever need to talk, stop by!

Hello everyone! My name is Seth Heath and I am a Computer Science major at Northwest. I was an RA last year and I loved every minute of it! I was in UB when I was in high school as well. One day I want to get my PhD in astrophysics and study the universe. I also dabble in video games and I'm always willing to take on any challenger! I look forward to spending this summer with my UB family once again!
