Wellness Services

NORTHWEST MISSOURI STATE UNIVERSITY

800 University Drive ■ Maryville, MO 64468 ■ 660.562.1348 ■ fax: 660.562.1585 ■ email: [health@nwmissouri.edu](mailto:health@nwmissouri.edu)

**Congratulations on being accepted to Northwest!**

## About University Wellness Services

Wellness Services provides comprehensive health and wellness services to Northwest students, including outpatient clinical services, counseling services, and wellness education and prevention programming.

Wellness Services emphasizes self-responsibility and believes students should take an active role in maintaining their own health. Our philosophy of care goes beyond quality outpatient care and considers the individual as an integration of mind, body, and spirit. Please visit [www.nwmissouri.edu/wellness](http://www.nwmissouri.edu/wellness) for more information.

## Health Insurance

### Health Insurance information

University Wellness Services has the capability to bill your insurance company for the services provided. If you have health insurance, please do the following:

- Submit copies of both the **front and back** of your health insurance card to University Wellness Services
- Contact your insurance company to make sure we are an in-network provider. Your insurance company will need the following information:  
Dr. Susan Watson, 800 University Drive, Maryville, MO 64468

**THIS FORM, AND IMMUNIZATION RECORDS, MUST BE COMPLETED AND SUBMITTED BY THE FOLLOWING DATES:**

**Fall Trimester – Aug. 1**

**Spring Trimester – Dec. 1**

**Summer Trimester – April 1**

Please return directly to Wellness Services, DO NOT submit with other Admissions materials.

Failure to submit this required information by these dates can result in a hold being placed on your account - please return all forms completed by the specified dates.

**If you have a disability or significant health problem, please contact Wellness Services before coming to campus.**

# Vaccination Requirements

**In addition to the required vaccination information requested below, please send us copies of any other vaccination records that you may have.**

## Measles, Mumps and Rubella (MMR) Vaccination

### Required for all students

Northwest Missouri State University policy requires that ALL newly enrolled students born after January 1, 1956 must comply with the two dose MMR Vaccination Policy. Students who do not comply will have a hold put on their registration for future classes. This is required of all students who attend classes on either the Maryville or Kansas City campus.

- Please check here if you were born **before** January 1, 1956, or if you will be taking **all** courses online or are a dual-enrolled student.

#### Submit the following to University Wellness Services:

- Documentation of **two doses of the MMR vaccine**.  
The first dose must have been given at age 12 months or later. The second dose must have been at least one month after the first dose.
- OR**
- Documentation of a **TITER**, which is a blood test proving immunity to Measles (Rubeola), Mumps and Rubella.

## Meningococcal vaccination requirement

### Required for all students living on campus

Effective July 1, 2016, Missouri state law requires all students residing in residence halls and Greek Life Chapter Houses at Northwest Missouri State University to be immunized against Meningococcal Conjugate Vaccine. This means all students living on campus must submit documentation that they have received the Meningococcal Conjugate Vaccine to University Wellness Services. It is the student's responsibility to provide this documentation. Per the state law, a student will not be allowed to live in the residence halls or Greek Life Chapter Houses unless this requirement is met.

In accordance with Missouri state law and Center for Disease Control (CDC) guidelines, Northwest students must have received the conjugate vaccine (or a booster dose) after the age of **16 and** within five years of initial enrollment. Records that only show vaccination prior to 16 years of age, or more than five years prior to enrollment, will not be compliant with Northwest's immunization requirement. The Meningococcal Conjugate Vaccine is required for compliance - immunization records that show only Meningococcal B vaccination will not fulfill the requirement. Meningococcal B vaccination (Trumenba, Bexsero) is presently recommended by Wellness Services and the CDC, but is not currently required by Northwest Missouri State University.

- Please check here if you **WILL NOT** be living on campus or in a Greek Life Chapter House.

#### Submit to University Wellness Services the following:

- Documentation of **one dose of Meningococcal Conjugate Vaccine after the age of 16**.

For more information on Meningococcal Disease and the vaccine, visit:  
[www.cdc.gov/vaccines/hcp/vis/vis-statements/mening.pdf](http://www.cdc.gov/vaccines/hcp/vis/vis-statements/mening.pdf).

### Compliance Checklist

- Completed Health History Form;
- Immunization Record showing 2 doses of MMR Vaccine;
- Immunization Record showing Meningococcal Conjugate Vaccine after the age of 16;
- Copy (front and back) of Insurance Card

Have you ever been a resident and/or employee of any high risk congregate settings (e.g. correctional facilities, long-term care facilities, and homeless shelters)?  YES  NO

Have you ever been a volunteer or health-care worker who served clients who were at increased risk for active TB disease?  YES  NO

Have you ever been a member of any of the following groups that may have an increased incidence of latent *M. tuberculosis* infection or active TB disease – medically underserved, low-income, or abusing drugs or alcohol?  YES  NO

If you answered **YES** to any of the above, you must:

- **Schedule a TB test** with Wellness Services
- OR**
- Provide documentation of a **TB test done in the United States** within the past 12 months. TB tests done outside of the United States will not be accepted.
  - **If prior treatment for active TB disease or latent TB infection has been completed, written documentation must be submitted.**

*Chest X-rays will be required for anyone with a positive test.*

### Additional American College Health Association immunization recommendations:

- Polio
- Tetanus, Diphtheria, Pertussis
- Hepatitis A
- Influenza
- Varicella
- Human Papillomavirus
- Hepatitis B
- Pneumococcal
- COVID-19
